HERITAGE HIGH FIGHT SONG
by George Anderson

Fight Hawks, Fight Hawks,
Fight, fight, fight.
The Heritage Hawks will win tonight.
We are the best in Michigan,
blue, green and white.
We have the pride, the dream,
We have the winning team.
See us soaring out of sight.
Rah, rah, rah.
Watch our team go down the field
And you will see we're strong and never yield.
Hail, hail to Heritage High,
For we're on to victory.
Go Hawks.

Spirit Competition

Leads the Student Body to First HHS Homecoming

The student body began to pull together during spirit week. Five days of class competition included tug-of-war, relays, and float contests. An all-school assembly capped the week's activities and nearly raised the dome from the gymnasium. The collapse of their float didn't bother the dauntless seniors, as several heroes joined with wood and paper to finish the march around the track, demonstrating that hard work and enthusiasm can sometimes overcome a lack of prior planning. The Students Against Driving Drunk (SADD) float reminded spectators that sometimes results are final.

The first Heritage homecoming court was chosen by the staff and students and included: (back row) Jill Lichon, Jenny Skarin, Jill Ahrens, Debbie Zolinski, Tammy Anderson, Missy Charbonneau and Wendy Iamurri. (front row) Adrienne Arnst, Melissa Maidlow, Tracy Rowe and Amy Gatza. The enthusiasm of the student body carried over to Friday night's game as the football team defeated Bay City Handy. This topped off the week. Accompanied by their parents, the members of the court were introduced at halftime, and Wendy Iamurri was named Heritage High's first homecoming queen.

The homecoming dance took place in the gym on Saturday night. Queen Wendy Iamurri is pictured at right with her proud parents Rick and Colleen.

BY GEORGE, HE'S GOT IT . . .

Throughout the week rumors raced through school about a possible visit of presidential candidate George Bush. Sure enough, on October 19 the vice-president made a campaign sweep through Michigan and chose Heritage High School for his Saginaw visit. During the week preparations were in evidence, as secret service agents and their trained dogs secured the building, while campaign staffers decorated the school with balloons, posters and signs. Reporters, politicians, and thousands of students and adults crowded the gymn to get a glimpse of the man most felt would be elected to the presidency. It was the second time the building had played host to Mr Bush in four years. On November 8, 1988, the American public elected George Bush to the presidency, all, of course, because of the rally at HHS.

In loving memory

So what do we do with Jennifer Westall's senior picture? She ought to be here with us now, performing with the pom pon squad, or dancing at a ballet recital, or just laughing with us. But she won't graduate, and she won't laugh with us again because of an automobile accident this summer. And Jerry Pomeroy should be sitting in classes with us now, but Jerry died this autumn. R. J. Valiquette and Sue Trenary were with us just the other day, or so it seems sometimes. And on occasion, when we think back just a few years we're once more looking into the faces of Todd Loomis, John Krafft, Randy Sanders and Art Jurik. We wish they could all be here with us today, with their senior pictures safely tucked into page envelopes and their names in alphabetical order on the graduation list.

So what do we do with the senior picture and the names of our friends whom we miss? We dedicate this page to their memory and invite you to sign it just as you would if they had brought it to you themselves.

HAWKS

HAWK FOOTBALL SOARS

Seventeen years of intense rivalry between Douglas MacArthur and Dwight D. Eisenhower football teams ended this fall when the two schools became Heritage High School. Team unity has been apparent, friendships have been formed, and great football tradition has begun.

Head coach Mel Skillman says, "Our team is as strong as our weakest player". Heritage didn't get any respect at the beginning of the season because last year's records for D.M. and IKE totaled 5 wins and 15 losses. The defensive line coach, Lou Fenton said, "The team has practiced hard all summer long." Before the Clarkston game he told his players that it is much easier to play than it is to coach. The defensive coordinator, Al Pettyplace said," Football isn't just a game,it is life, unity, and manhood. Now that Heritage is an established winning team, we have a responsibility to win, we are expected to win." The offensive line coach, Jim "Doc" Rutledge said, "My offensive line this year has mental toughness and has the best conditioned players on the field.They get their conditioning from the hitting sled which the line has learned to hate." The varsity coaching staff consists of six coaches. They are head coach Mel Skillman; Defensive line coach Lou Fenton; Linebacker coach and defensive coordinator Al Pettyplace; Offensive line coach, Jim Rutledge; Receiver and Junior varsity coach Jim Rummler; and Defensive Secondary and Junior Varsity coach Joe Mikolajczak. The players of the Heritage football team this season had many new experiences. Defensive captain and star linebacker Jeff Hammis said, "Being a senior this year, I have a little more weight on my shoulders. I have to become a leader as well as a player and that makes my job tougher."

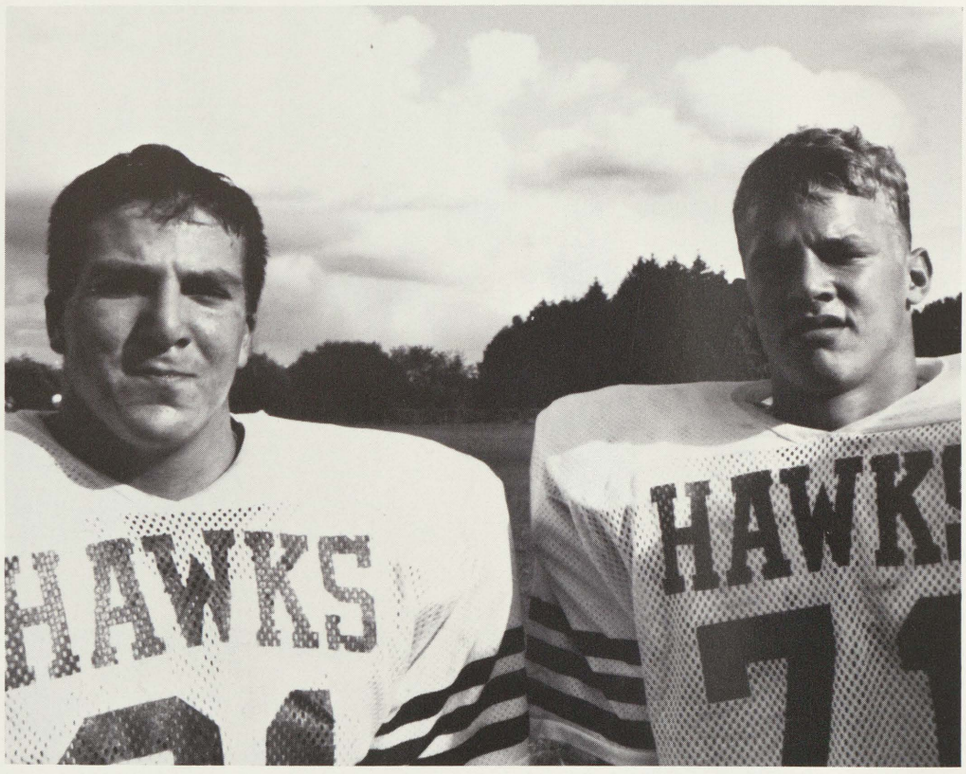

Senior offensive end Jeff Price said, "This year I didn't know what to expect. For instance, last year I started every game and played much more than this year. However, this season I've gotten more news coverage." The Hawks had a tough season of practices throughout the year. The Hawks started the season at football camp in Mt. Pleasant, at Central Michigan University. Some players called the three day workout a "labor camp."

Jon Halstead, a junior halfback said, "Go Hawks" and also mentioned he's had a great year and can't wait for next season. It's been a strange, exciting , and different year of football for Saginaw Township. Heritage has started something special and has started a new tradition. "Winning is our tradition and excellence is our goal."

BLUE AND GREEN

When they combinded the two girls basketball teams. They came up with an outstanding girls program. Tammy Anderson said said "The first couple of weeks were rough but now that we've got to know each other it's much better." The team is hoping to go far in the playoffs and they have a good chance. Coach Mike Donahue often calls his team, "the Blue and Green Well oiled Machine." The name fits well, don't you think? Amy Gatza added that "combining the two teams made all the girls work a little harder." This work and all the talent, should start a great tradition. "I'm just glad we started off so well, I just hope we can continue the excellence.

Kim Brefka goes up high for a rebound.

The lady Hawks started off strong this season, by winning their first seven games. Coach Donahue said this team worked real well together. The ladies' record was upped to 14 wins and 5 losses. Coach Donahue's hawks lost their first district game by a wide margin to Flint Powers.

The merging of the two high schools brought many talented soccer players under one roof, thus making Coach Bill Hartle's job of choosing a 1988 Varsity soccer team difficult. After two tough weeks of tryouts a team emerged consisting of fifteen seniors, two juniors, and two sophmores. Heritage's offense was led by seniors Dave Hutchinson, Mike Luebkurt, and sophmores Tony Nuckolls and Nick Iamurri. Leading the midfield were seniors Chris Jones, Chris Maize, and Dave McAuley. Coach Hartle says of Maize, "You plug him in wherever there is a weakness, and he'll get the job done." The team's defense consisted of Gary Gallagher, Ted Kurtz, and Brett Bennett. John Freiling came through as their starting goalie and John Roberson also shared the responsibility of goaltending. The first Heritage Hawks varsity soccer Team ended with a 10-7-2 record. The highlight of the season was when the Hawks played Midland Dow in the district final. Heritage came out on top 2-0, with both goals by Dave Solomon. It was especially sweet for the team because Dow had defeated them 1-0 in both regular season games. End of the year awards were given out to: Most Valuable Offensive, Dave Hutchinson; Most Valuable Defensive, John Freiling; Sportsmanship Award, Randy Baker; and Chris Maize recieved Honorable Mention All-State Honors for Class A.

The Heritage Girl's swim team established a winning tradition for the school this year. " I'm surprised at how well we did this year, seeing it's our first year," said Courtney Graft. "We really didn't have very many outstanding swimmers this year, but we had a lot of depth."

The team, had some very tough meets this year. One of their toughest was the one against Midland Dow. " It was a very tough meet, but we pulled through it", said Courtney. The team also took third in the Tri-Cities meet, considered to be the biggest meet of the year for some. Suprisingly, no one went to the state meet, but two people on the diving team,Kim Chu and Margo Kaplinger went to regionals.

Coach John Musulin thinks the team should do good next year, because only a few members are leaving. But as for this season, it about sums it up when you say "Excellent job, girls."

CROSS COUNTRY

Miss Pam Durand, the coach of the girls' cross country team is enthusiastic because, "Everyone is doing great on the team."

Angie Barrera and Heather Keane, both juniors at Heritage, have been running really well for the team this year.

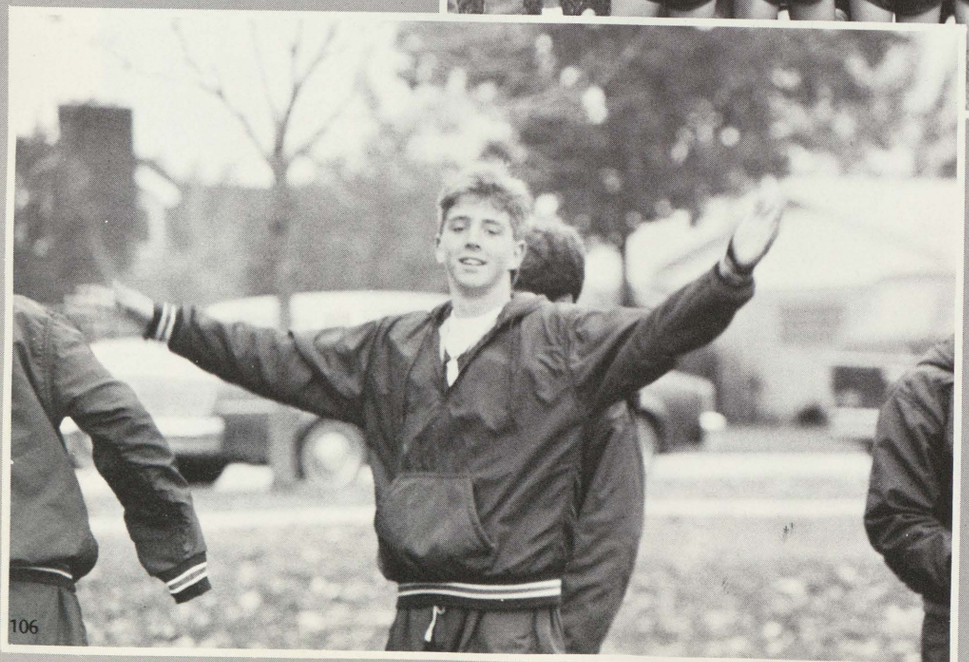

When asked if there was any difference coaching the last six years at MacArthur and then having the Heritage team she said, "The only difference is that I am only coaching girls. Last year I coached both boys and girls."

The season ended when Heather Keane and Angela Barrera made 2nd team all-county and all-conference. Over all, the team placed 3rd in the County meet at Frankenmuth.

The Heritage golf team had an outstanding first year. They set standards for the school that we all can be proud of. A victorious season led them to the state finals. Tournament scores of 415 for the five man team and 324 for the four man team set records for future Heritage golfers to try and beat. Congratulations golfers!

Being the first varsity team to go undeafeted with a 12-0 record, the boys swim team proved that they are the best in the area. The team was led by Senior captian Joe Douglass, who qualified for the state meet. The highlight of the season was when Heritage swam against Arthur Hill, who was also un defeated. The Hawks came out on top with many swimmers turning in their best career times. Senior Doug Bishop said, "The team had alot of fun but everyone worked real hard." Next years team has a bright future with juniors Kevin Klein, Casey Thomas, and twins Jeff and Brian Basil. As the end of the season neared, the swimmers prepared for the Tri-City meet by working harder than usual, and working on shaving themselves and their times. Coach Bob Oliver thinks the teams chances of doing well are good if the team works hard and together. This years team bagan the winning tradition that will carry on for future years. Coach Oliver's prediction came true as the Hawks came in first place, Kevin Klein and Brian Basil were double winners with Klein winning the 500 yard freestyle and the 400 yard freestyle relay with Brian Basil and he won the 100 yard backstroke. Douglas finished 19 hundreds of a second away from first place in the 100 yard backstroke. Also coming in first place was the 200 yard medely relay. Congradulations for a great season.

HERITAGE VARSITY POM-PON

The Varsity Pom-Pon season started early last summer with 6:00 A.M. practices. The first few weeks of practice were spent doing aerobics and getting ready for camp. During the four days of camp at Saginaw Valley State University, the girls experienced the heat of competition and the importance of friendship. From camp, the squad brought home the first Heritage High trophy.

There are many differences on the new squad from previous years at Douglas MacArthur and D. D. Eisenhower. For example, with the influence of coach Lisa Newbold, the athletic association now counts Pom-Pon as a sport. Julie Zuzula, (a junior on the squad), says that the "rules are a lot more strict this year." The girls have practice three days a week or more. There are stiff penalties if a girl is late or misses a practice. The girls also have to keep their grades up to comply with the school's eligibility rules.

Sophomore Kim Waite says that she likes "the combination of squads because we come up with a lot of new ideas." The original routines seen at the games are the results of the combination of the two very unique styles of Eisenhower and MacArthur.

The captains of the squad during football season were Jennifer Gamez and Connie Schwab. Teri Birkmeier and Amy Kitsch were the captains for the basketball season.

The Heritage High J.V. and Freshman pom-pon squad had an outstanding season. They kept the crowds of both football and basketball games enthused at halftime. Both teams started the year with a summer camp at S.V.S.U. They came home not only with new routine ideas, but also with many awards. The J.V. pom-pon squad took first place at their regional competition, and the freshman were right there cheering them on! Both pom-pon squads performed with much excitment, and always seemed to be enjoying what they did. Their long hard practices paid off, because they looked absolutely wonderful.

S. Spirit!

With an optimistic outlook on the new year the cheerleaders of Heritage High School have accomplished more than just new "Hawk"spirit, but new squad spirit. Mrs. Nicklyn, the assistant coach said,"You wouldn't know there was a difference with the way the school has merged." The squad has really come together well and the fact that they care for each other really shows.

Thinking that it might be dificult to join the two football teams was a wrong thought. The J.V. football players had no problems.

"We had a good start this summer. We went to camp this summer at C.M.U. It gave us a chance to get to know each other before we started practicing. It helped bring the two rivals together to form one great team," says Jason Hoerner, the team's defensive player.

Coach Rummler says they would have done better then they did this year, but because of so many injuries it made it a little more difficult.

Frosh Girls B-Ball

This year the Freshman girls basketball team played very well. That could be caused by many things. I belive that one of the reasons that they were so good could have been the coaches. The coaches were hard on the team. As an unknown source on the team said, "If we lose a game we run sprints. If we win a game we run sprints." They also may be good because of spirit. Julie Braun said, "Our team spirit is never down, even when we are losing." They could br good for the simple reason that they work together as a team or you could say family.

This year there were two teams, team A and team B. They usually play separate games, but some of the time they played together when playing a bigger team. Like John Glenn or Valley Lutheran. Both teams play very well. Just becuase they were divided does not mean they still worked just as hard to try to win.

They worked like a family on the court, but they were like a family off the court too. As one of the players said, "Our team is like a family, because we are always there for each other." They helped each other with problems they may have had about anything that may have been bothering them. They helped each other if they just need someone to talk to for any reason at all.

Our Freshman girls basketball team may have helped along a girls that some day could go on to college as a basketball player and even get a scolarship.

J.V. HOOP — A SUCCESSFUL BEGINNING

The J.V. girls basketball team had a successful season. Their record may not show it but the players improved as individuals and as a team. With hard work, time, and energy put forth, the J.V. team was a success.

The captains of the team were Kristi Fresorger and Becky Zimmerman. Becky put spark into the team. She was always there to fire everyone up. Kristi put control in the game which helped the rest of the team gain control.

The team's biggest victory was played against Mt. Pleasant. The score was 26-23, Heritage. This game will be remembered the most by the team because it was won in double over time.

"They may not have won a lot of games but they're a winning team", says they're coach Chris Johnson.

The junior varsity girls tennis team had a fairly successful season. With the teamwork, effort, and pride each girl gave, the season became a memorable experience for everybody. Every day on the courts, the tension began to build as the players tried to achieve a higher ranking. The season expressed much competition which resulted in total devotion. Under the hard working efforts of Coach Jim Teal, the team ended a difficult, but fun season with a 6-5 record. The players showed true sportsmanship and supported each other strongly. The number one ranked player was Megan Royle, while the number two ranked player was Molly Garber. Each player tried their best, and everybody made a difference. The girls worked very well together, and showed the true Heritage spirit. It ended in a very fun, and exciting season. Great job girls!

The Heritage Hawks J V boys soccer team went undefeated during their season and managed to score over 100 goals. "The boys worked really well together", said Coach John Ayala. "I am really happy with the turn out of the season". Sophomore right winger Marcos Salinas, said "we're awesome"

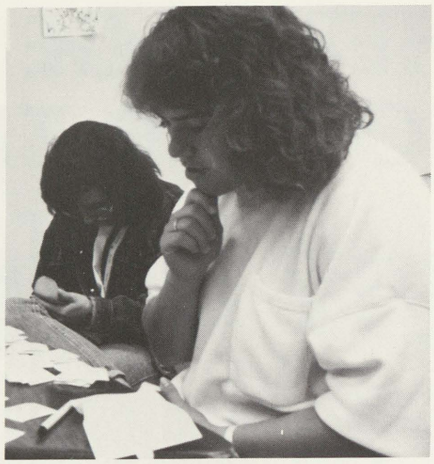

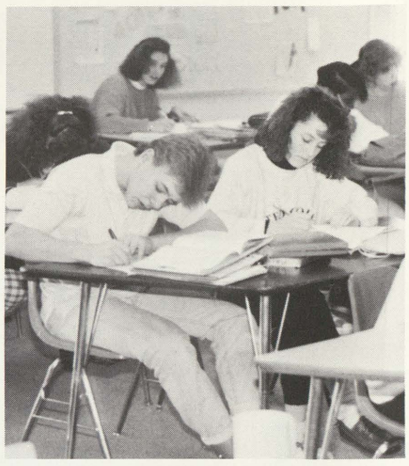

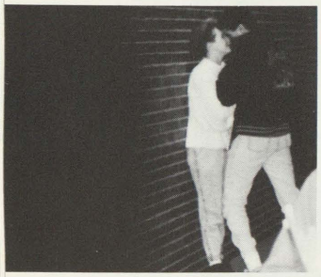

The team's offense was led by Jamie Tarachas, who was also lead scorer for the team. Tarachas wasn't alone though; he was helped by other offensive players like Steve Solomon, Tom Anagonost, Jerry Swanton, J J Bamberger, Jason Maday, and Chad Kingsburry. Each of these players had many scoring opportunities and were scoring as many as 2-4 goals per game.

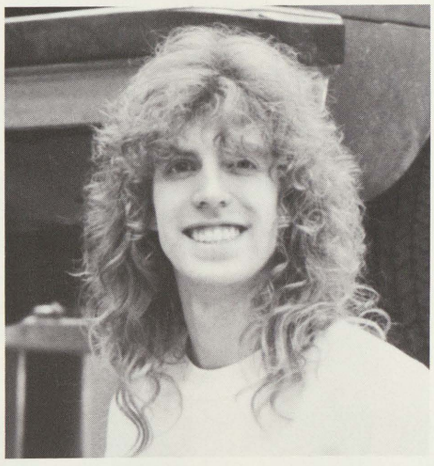

The dynamic defense was run by freshman A J Wise, who basically kept the team fired up and talking. He played a big part in every game.

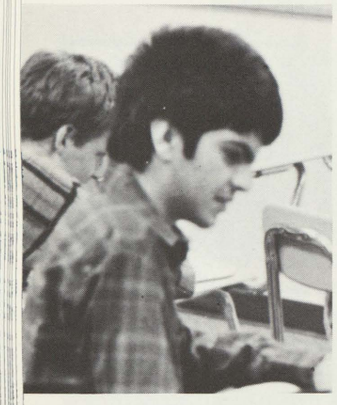

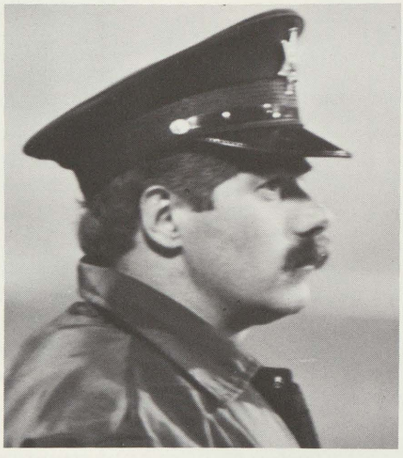

Goal was tended by Chris Merzman and Dave Guzman. These two guys kept the team going strong with seven straight shutouts.

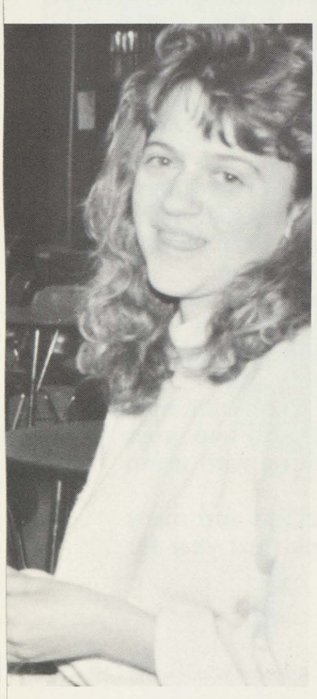

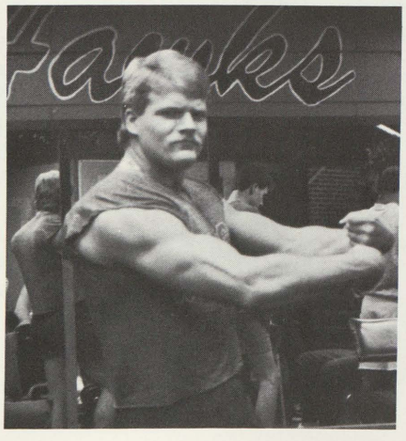

The season was excellent and many of the boys will be back next year for another great year.

CO-OP

I feel that co-op is a very educational experience, because I enjoy my job and it prepares me for the real world," says Amy Pozenel a senior co-op student who works in community relations at St. Mary's Hospital.

There are 148 hard-working students involved in the Heritage co-op program this year. Co-op students attend classes, plus work an average of fifteen hours a week. The students are required to turn in a weekly report about what they accomplished at work that week, and how it related to their job-related class. They then must hand in an evaluation from their employer.

Tracy Herrmann, a senior co-op student who plans to have a career in business, works for Automated Business Systems. Tracy says, "I feel as though it has given me a head start on my future career."

Sunday Coffron, a senior co-op student who works for Chan's Garden Restaurant, says, "Co-op gives me experience and it helps me make decisions, and become more independent."

Mrs. Donna Fryer feels that students really benefit from the co-op program and that it works toward their advantage. "They learn what it's like to be in the real world; they become more dependable and responsible. It improves their self image, plus they make money."

MARKETING II

Trevor Landeryou looks real excited about working in Campus Corner.

Last year Bernie Call had a dream. His dream was to have a real retail store. It was a difficult task, to get the ball rolling, but with the help of "Big Daddy" Jerry Dalek his dream came true. Call, Dalek and the Marketing II students worked together to mold a ordinary class room into a fine retail store. For a while they didn't know what to call it. The final result was Campus Corner. Since the opening in October the store has had a great deal of success. The store will be a part of Heritage's tradition.

MOCK

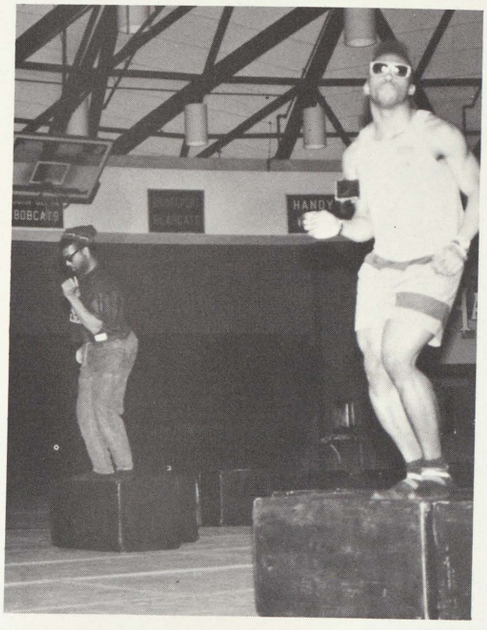

Heritage held its first Mock Rock on February 25th. It was sponsored by the Leadership classes and Z93.5. It was a big success for all who participated. The acts varied in style and performance which added to the enjoyment of the audience. Every music taste from rap to country was satisfied. Not only was there dancing but the costumes proved to be unique and original.

Latin Club

The Latin Club Officers for the 1988-89 school year are: Ric Pastor, president; Carolyn Kim, Vice President; Melissa Banning, Secretary; and Angie Thomas — Treasurer.

The Latin Club had a successful year by winning the Most Original Float in the the first Heritage Homecoming Parade. The Latin Club also served over 150 people at a night of good food and festivities. The Latin I slaves served the guests while all the Latin classes performed various skits to entertain the crowd. Other activities planned for the Latin Club are to participate in Foreign Language week, the Winter Carnival, the Rank raising of the slaves, a Christmas party, and various other events.

February 7, 1989 marked Mardi Gras, a French tradition that has been carried out for many years. French students celebrated the festivity with a party.

The French Club participated in many activities this year. In January they had a ski trip at Bintz's Apple Mountain. In February they went horseback riding. They were really busy in March for the foreign language week. They met about once a month. Mrs. Luebkert, the advisor said "the club is mainly a chance to enjoy culture, as well as social activities".

Peter Young headed the club as President; the Vice President was Shelly Kerns. Sandra Rarendren was treasurer and Dajar Trevedi filled secretary. Mrs. Luebkert was very pleased with the turnout. She said it was a very enjoyable year.

GERMAN CLUB

German students in homecoming parade representing the Grimms Fairy Tales.

German Club was really active this year. They participated in the homecoming parade with a small float and characters representing Grimm's Fairy Tales. In November they held a Christmas bazaar which raised about $500. The money will be used for scholarships for the graduating seniors who are currently taking German.

The German Club also participated in the Foreign Language Christmas Banquet. The students put on a skit based on Charles Dickens' Christmas Carol.

This year German had a special Student Teacher, Karsten Schlenter from SVSU. He taught from September to the middle of November. Eight years ago he was a foreign exchange student at MacArthur. He returned to the United States a few years ago, and married his American girlfriend from MacArthur and started college at SVSU. The classes enjoyed having someone Direkt Von Deutschland.

Spanish Club

The Spanish Club this year was under the combined direction of all the Spanish teachers. Officers were elected at the first meeting in September. Sabrina Cantu is the president and Lynn Olivarez is the vice-president. The secretary is Jenni Rankin and the treasurer is Stephanie Midas.

The club was very active and there was always something going on. The main fundraiser was a candy sale, in which members sold Snickers and M&M's. The Spanish Club marched in the Homecoming Parade in October. Some of the members attended the Ballet Azteca at the Heritage Theatre in the Civic Center. There was also a shopping trip at Fairlane Mall, an international dinner in the Student Center, a ski trip, (and much more!)

DEBATE TEAM

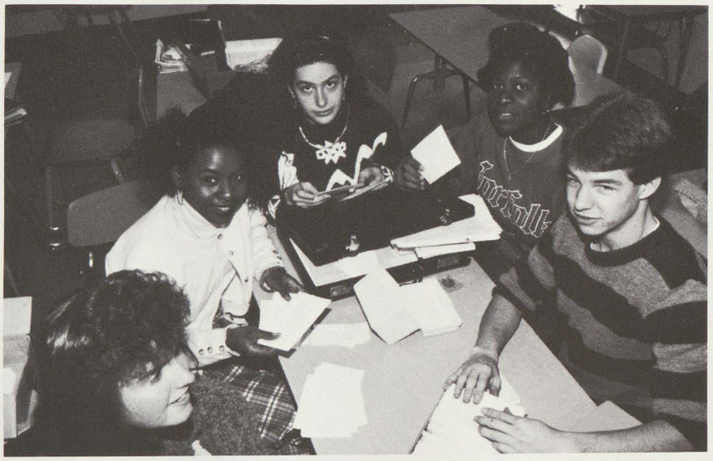

What is the first thing you think of when you hear the word "Debate"? Fighting, bickering, arguing? You're right, all three of these words describe this year's Debate club to a tee.

Mrs. Makrianis, the team's coach said,"It took a lot of effort to rebuild the program and we succeeded. We hope to do even better next year." The team received second in the Thumb B League held in Frankenmuth. Ann Fritz, Lisa Wall, and Teresa Puehl were the winners of the speaker awards.

So remember, the next time you hear the word "Debate" think of the 1988-89 Debate team. They're hard to forget!

Heritage Forensics

Stephanie Mitas displays one of her storytelling faces.

"Not many people know what Forensics is, they're missing out. It is a lot of fun," says Amy Vaydik 2nd year Forensics member. Forensics takes a great deal of hard work and concentration. There are five main categories that the Forensics team participates in at their meets.

The first, is extemporaneous. The students are given three questions on topics concerning international, national, state, and sometimes local affairs. They are given half an hour to prepare a speech and 4 to 7 minutes to give that speech.

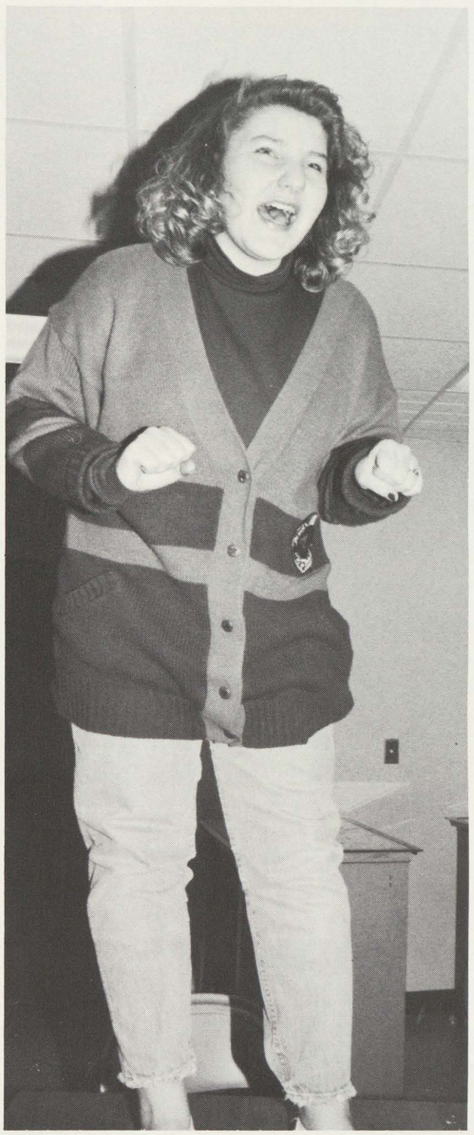

The second category is impromptu, which works the same way as extemporaneous. However, this time the students are given no more than seven minutes to prepare and speak on their topic.

The third is broadcasting. The students are given a script and told to edit it and write an editorial about it. They must speak to their audience as if they were giving an actual news cast.

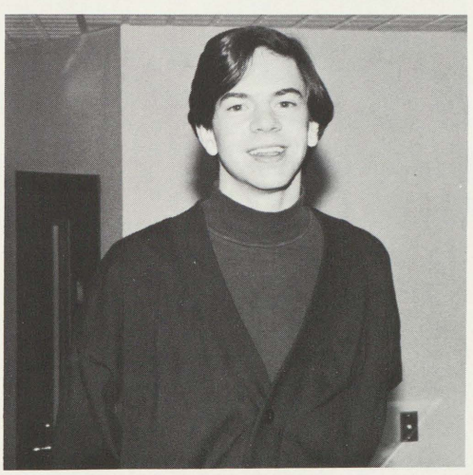

The fourth category is interpretation, where they are given a play, a prose selection, or a children's story. The students must memorize it, shorten it, and act it out. When necessary, they use different voices and actions. Interpretations are performed in duos, multiples, and solos.

The fifth category consists of three parts which involves writing their own speech. The first is an informative where the students inform people on a subject as if the audience knows nothing about it. Visual aids must be used in this performance. The second is auratory, where the students persuade someone to do something; and the third is sales where they actually sell something.

Active Forensics member Stephanie Mitas says she enjoys being on the forensics team because, "It has helped me face a crowd without being nervous. Also, you meet many new people." Megan Royle adds, "I'm hoping within the next few years Forensics will play a big role in Heritage's tradition."

Megan Royle — really gets into it.

THE PEPPIEST CLUB

Tricycle races, pie building, fish for the marshmallow, and that's not all. Pep club has promoted many activities for students to get psyched and cheer their teams on to victory.

Promoting school spirit is the main job of pep club. Heritage High School's students participate in activities before big games to get their winning teams off to a victory attitude. Class competitions are the big way where you can show who's the best. Freshmen try and show their stuff. Pep club will make you feel welcome and make you belong.

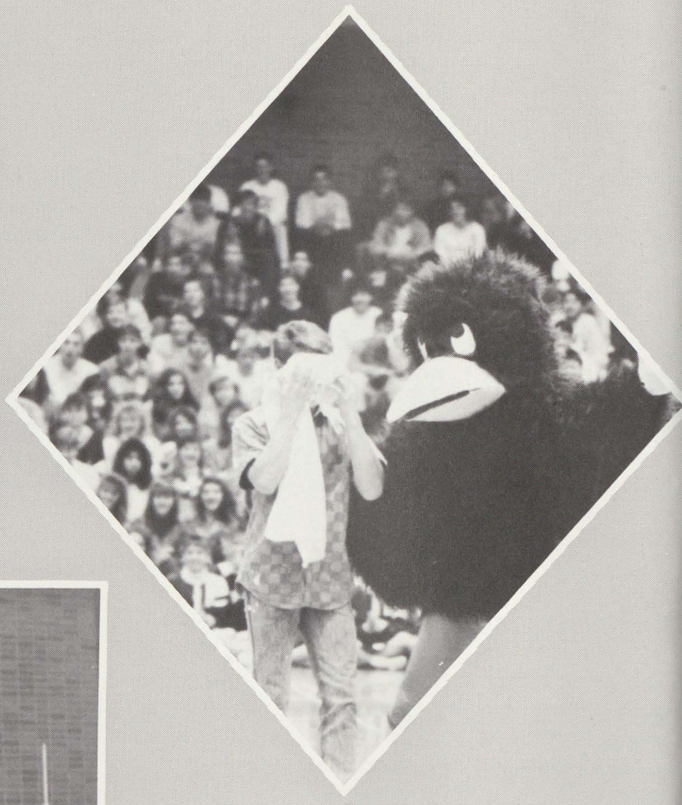

President Laurie Ryan, along with advisor Bernie Townsend and the pep club members, come up with many new ideas to keep things interesting. Pep club really got the spirit going during Homecoming week and Winter Carnival. The four classes are always competing to show who's on top.

At the games the pep club helps to get everyones spirit going. One of the biggest ways is known as the bleecher creatures. They bring excitement and fun to every game. The school's spirit, and its unforgettable events, made this a year to remember for the Hawks.

MARCHING TO A NEW BEAT

Joining the two schools has made the marching band bigger and better. This year the band is made of 75 students from grades 9,10,11, and 12.

They started out the year by going to Michigan State University for the annual band day on September 10, and then on to Central Michigan University on October 22. The band also marches-plays at all home varsity football and basketball games.

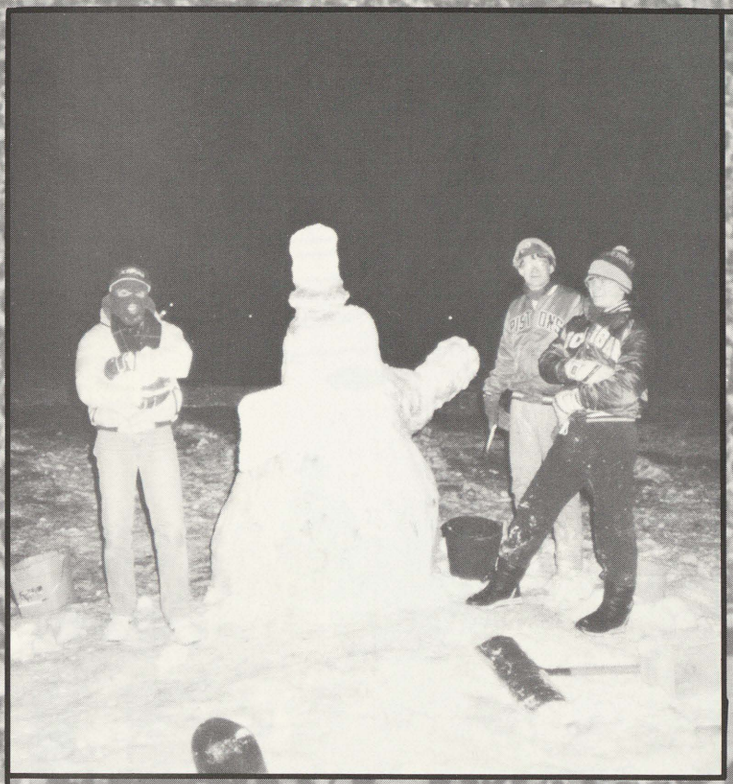

The marching-concert band is under the direction of Mr.Michael Vierow, and the drum major is Sarah Johnson.

Varsity Choir

This years Heritage High School Varsity Choir is outstanding and exhilarating. They have performed numerous concerts this year ranging from The Festival of Trees at the Civic Center to their very own Christmas Concert held here at Heritage High School's own Theatre. The choir hopes to go to Toronto for competition, fun, and probably sightseeing. Mrs. Cheger-Timm would like to see various groups from the choir performing under different situations. When we talked to some of the various choir students and Mrs. Cheger-Timm, they all admitted this years choir is great. Some of the best talent is formed from the former Douglas MacArthur and Eisenhower to make the best choir ever.

It's hard to imagine why anyone would want to be a yearbook photographer. The fringe benefits are few and the working conditions are ridiculous. Because of problems with consolidation, the Heritage darkroom was never completed, leaving Wendy Rigg and Neil Lisee to process photos in the janitors' room.

The determined duo managed to provide photographic coverage of 52 athletic teams, two dozen clubs and organizations, and countless student activities both during school and on weekends. In their spare time they served as photographers for the school paper. The staff thanks them both for making a difficult task look easy. As Neil says, "It's a snap."

The production of this year's yearbook may not have been possible if it were not for the artistic abilities of Tony Fink. When ever Tony is not drawing attention to himself he is drawing artwork for the yearbook. The joker himself has done wonders with his artistic abilities in drawing pictures for the division pages, student divisions, and smaller pictures for various sporting events. The entire yearbook staff is grateful for all of the hard work Tony has done for the book.

LEADERSHIP SUCCESS

Leadership class started the year blindly, but ended up paving the way for a successful Heritage school year. The class successfully accomplished many tasks, including Homecoming Activities, UUNICEF,the Blood and Food Drive, Black Studies Club, organizing class competition and the pep assemblies, Mock Rock, Presidential Election, the Parliamentary Program and will be continuing their efforts throughout the year.

Over thirty students belong to the Heritage High School S.A.D.D. group, which stands for Students against Drunk Driving. The goal of this group is to get students and the community to be aware of the deadly consequences of drinking and driving. Throughout the school year they have had many displays which make students think about the dangers of drinking alcohol. One of these was a crashed car which was parked on the schools lawn over Christmas vacation. Other activities were the S.A.D.D. float in the homecoming parade, which won awards, the pancake breakfast at the winter carnival, the S.A.D.D. awareness day, and passing out red ribbons to show support. The officers of S.A.D.D. areJennifer Gamez — President, David Emrich — Vice President, Tricia Doyle — Treasurer, and Carla Kessler — Secretary. Several of the clubs members have attended seminars all over Michigan. The message S.A.D.D. wants to give you is, "Don't drink and drive!"

VOICING THE NEWS

"Let's Register" 4th hour Journalism

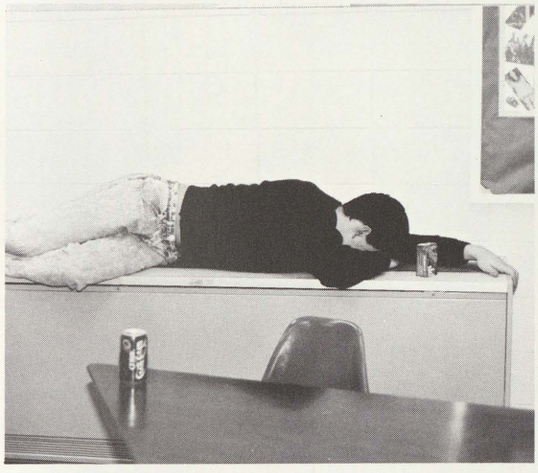

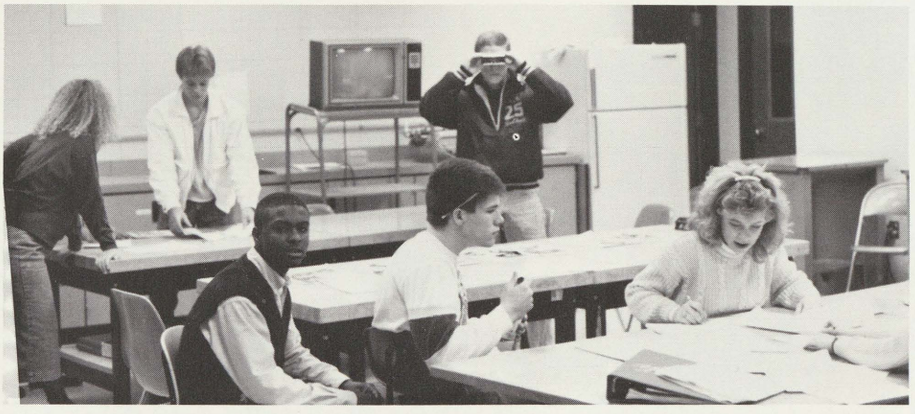

In keeping with its practice of establishing new traditions, Heritage High created a new newspaper, The Voice. The paper is the product of journalism, photojournalism and newspaper classes. The main goal of The Voice is to keep the student body informed and to allow students to express their ideas and opinions. The Voice also entertains the students and faculty.

The Legacy Begins . . .

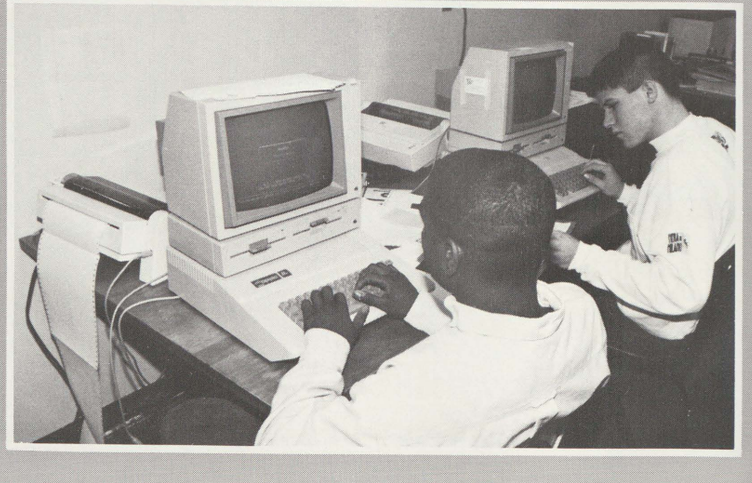

Here it is . . . Heritage High's first yearbook known as the "Legacy." This will be one of the most remembered yearbooks because it is the first, with the theme "The Tradition Begins." The yearbook staff had an extremely busy first year and meeting deadlines was a tough job. Our first deadline began with fall sports, mug shots, senior pictures, and ad layouts. The second deadline was a little more hectic and it took a lot of hard work. As noted by staffer Mindy Schluchter, "It consisted of the staff finishing the opening section, division pages, and the yearbook cover." The rest of the year was a bit more steady getting winter and spring sports and clubs and organizations finished up. We hope that all our hard work has paid off, and that you are as pleased as we are with the results. We all hoped you enjoyed your first year at Heritage, this has truly been a great year and there are many more to come.

S'no Place Like Heritage

Traditions begin at Heritage. The Winter Carnival was sponsored and organized by the Heritage High Parent Organization. Festivities began on Friday with a basketball game and concluded on Saturday with the Snow Dance. The Winter Carnival was a success thanks to the participation of parents and students alike.

WINTER CAN BE SO FUN !!

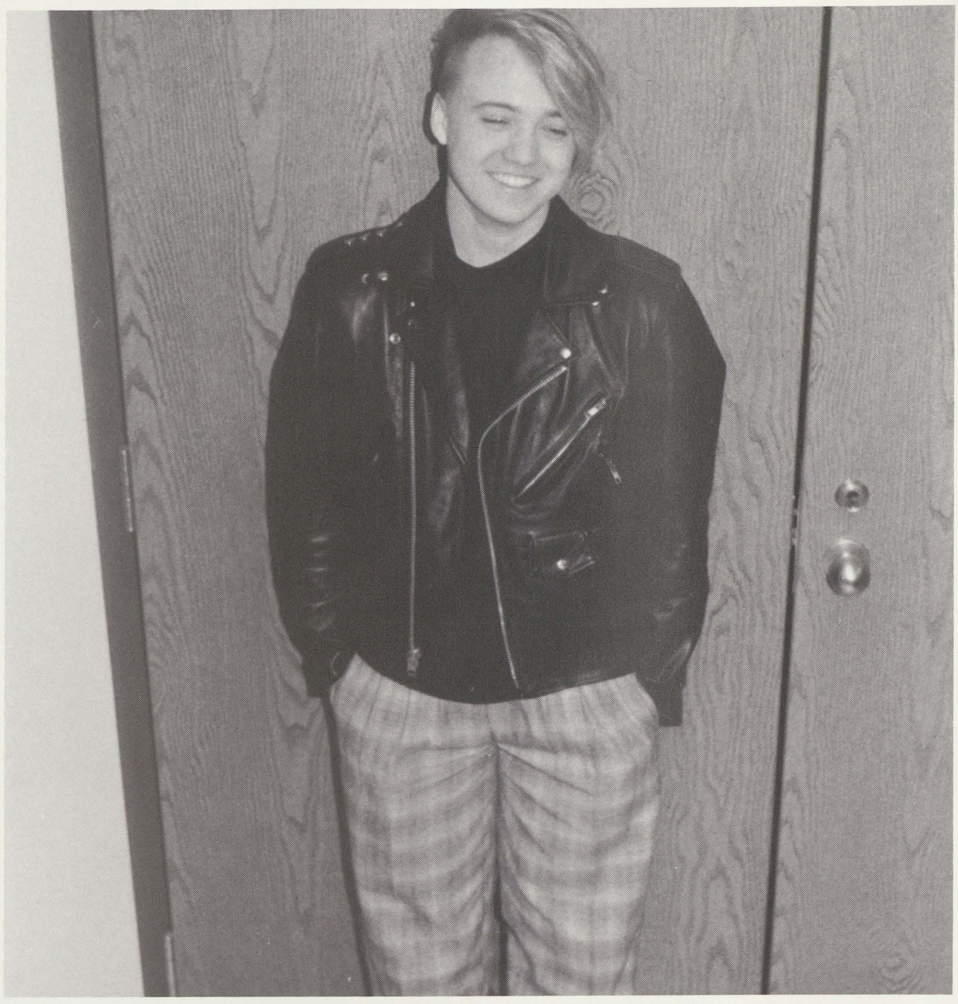

Heritage Fashion and Fads

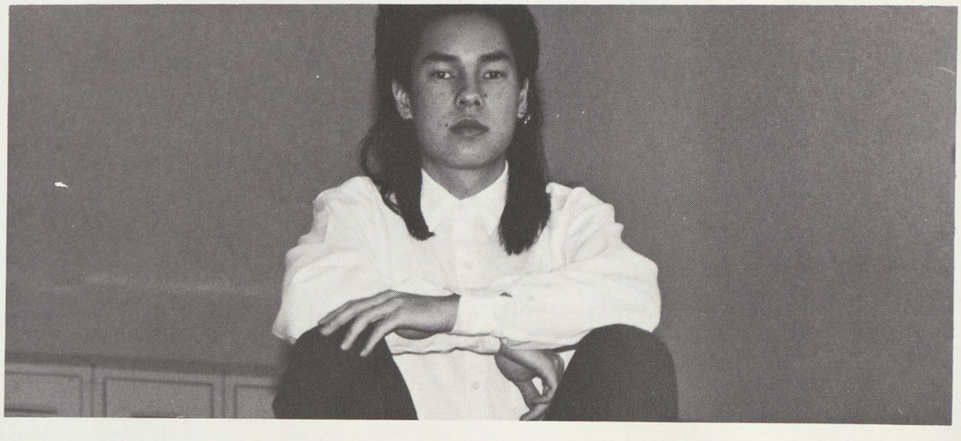

Adrienne Arnst sports one of the popular mock turtlenecks.

Leather jackets, one of the most popular accessories this year, had many different forms. Here, Jason Schrieber wears a black leather "biker" jacket. Aviator jackets were also popular this year.

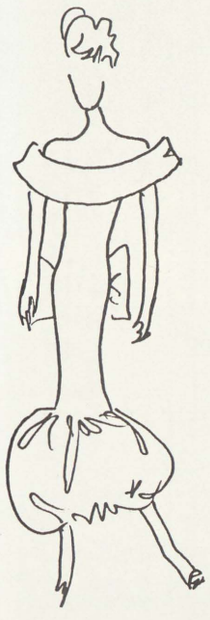

Skateboarding has been a trend this year, along with it, the skateboarding clothes. Like the punk clothes of the early 80s, skate clothes are usually black and baggy. Heidi Hansen models this fashionable look.

Long hair for men has been the most in thing this year and Jim Wolf wears it well. Earrings for guys, also has been a hit.

Kim Colwell: Fashion Designer

Fashion has high priority to senior Kim Colwell. She has been designing clothes since she was fourteen years old. Mostly concentrating on dresses, Kim has made her own formals for Prom and Homecoming for the past four years. Next year, Kim plans on attending The Fashion Institute of Technology in New York City, where she will pursue a career in Fashion Design.

Canadian Ben Johnson won the gold medal but was later disqualified for using steroids.

The World Series belonged to the Los Angeles Dodgers who defeated the Oakland A's.

The wedding of the year ended in divorce for heavyweight boxer Mike Tyson and actress Robin Givens.

ABOVE: President Ronald Reagan and Soviet leader Mikhail Gorbachev made effective efforts to eliminate some nuclear weapons. LEFT: The summer of 88 brought the worst drought in many years, and led some to believe the dreaded "greenhouse effect" had set in. BOTTOM LEFT: President George Bush and Vice-President Dan Quayle play "watch my lips." BOTTOM RIGHT: In an international effort, rescuers cut through the ice in Alaska to save two whales.
